

Resale Right Remuneration Calculation

The resale right remuneration share to be paid is being calculated according to the respective legal regulations (§26 par. 2 UrhG).

In details the law provides the following graduation – to be understood cumulatively –:

- › Free of resale right remuneration are all resales under a net sales price of 400 Euro,
- › 4% for that part of the resale price up to 50,000 Euro,
- › 3% for that part of the resale price from 50,000.01 up to 200,000 Euro,
- › 1 % for that part of the resale price from 200,000.01 up to 350,000 Euro,
- › 0,5 % for that part of the resale price from 350,000.01 up to 500,000 Euro,
- › 0,25 % for that part of the resale price higher than 500,000 Euro.

A ceiling excludes resale remuneration shares above 12,500 Euro which is being reached with sales prices of 2 mio. Euro.
