In order to determine my claims which, according to the distribution plan of VG Bild-Kunst, are based on the reporting works in physical books, I am making the following statement according to § 3 of the contract between VG Bild-Kunst and myself:

In the reporting of books, I registered illustrations of my works (photographs, illustrations, caricatures, cartoon images/comics, design, logos, infographics) in books for the respective usage year in compliance with the relevant rules of the distribution plan.

Notes

- We can only process reporting forms that are completed in full and bear your signature.
- The closing date for claims for a usage is always 30th June of the following year.
- Information on the reporting of books can be found in the respective fact sheet on the reporting of books.
- If a book with your illustrations **has no ISBN**, appears in self publishing, in the print-on-demand process and/or does not contain any text, the submission of proofs is mandatory. Please refer to the fact sheet for further information on such proofs. Without such proof, these books cannot be taken into account.

I, the undersigned, guarantee the accuracy of all personal information provided as well as of the information relating to the claim.
