In order to determine my claims which, according to the distribution plan of VG Bild-Kunst, are based on the reporting of fees, I am making the following statement according to Paragraph 3 of the contract between VG Bild-Kunst and myself:

For the reporting of fees, I quantified my net fees (exclusive of VAT) in Euro for image publications of my **photo-graphs** and my **other visual works** (illustrations, caricatures, cartoon images/comics, design, logos, infographics) for the usage year in compliance with the relevant rules of the distribution plan.

Notes

- We can only process reporting forms that are completed in full and bear your signature.
- The closing date for claims for a usage is always 30th June of the following year.
- Information on the reporting of fees can be found in the respective fact sheet.
- If the sum of the fees claimed by you is 30,000 € or more, you need to submit proof (see fact sheet).

I, the undersigned, guarantee the accuracy of all personal information provided as well as of the information relating to the claim.
